

SWVSM'S
TATYASAHEB KORE INSTITUTE OF ENGINEERING AND TECHNOLOGY,
WARANANAGAR
**DEPARTMENT OF ELECTRONICS AND TELECOMMUNICATION
ENGINEERING**

Vision

To become an academy of excellence in technical education and human resource development.

Mission

- To develop engineering graduates of high repute with professional ethics.
- To excel in academics and research through innovative techniques.
- To facilitate employability, entrepreneurship along with social responsibility.
- To collaborate with industries and institutes of national recognition.
- To inculcate life- long learning and respect for environment.

Quality Policy

To promote excellence in academic and training activities by inspiring students becoming competent professionals to cater industrial and social needs.

Program Educational Objectives

- Excel in technical education and research in electronics engineering.
- Competent with fundamentals.
- Enable to innovate, design and develop new electronic systems.
- Professional and ethical approach, effective communication and team work.
- Excellent academic environment for life - long learning.

**DEPARTMENT OF ELECTRONICS AND TELECOMMUNICATION
ENGINEERING**

Date: 12/01/2020

NOTICE

All the members of Department advisory board are hereby informed to attend the meeting scheduled on 16/02/2020. Principal Dr.S.V. Anekar will address the meeting.

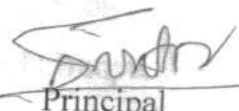

Venue: Old Seminar Hall

Time : 10 .00 AM

Agenda :

- Review previous meeting
- Review of Autonomy preparation &UGC expert visit plan
- Review of teaching learning method
- Formation of Board of studies
- Discussion on project based learning methodology
- Student counseling
- Any other relevant point with the permission of chair

HOD
Prof. C.P.Shinde

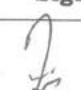

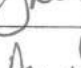

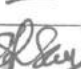

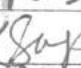

Principal
Dr.S.V.Anekar

Minutes of the meeting are documented as follows:-

- The meeting started with an address by Former HOD Prof. D.G.Chougule extending a warm welcome to the advisory board committee members & Principal and a sincere gratitude was expressed towards all the members present for the meeting. Principal Dr.S.V.Anekar introduced Prof. C.P.Shinde as new Head of Dept. to DAB members.
- Felicitation of members by Prof. S.H.More
- HOD Prof.C.P.Shinde expressed his gratitude for assigning the duties and shared the future plan for overall development of department.
- Members felicitated Prof. C.P.Shinde as new head of dept. Also Prof. S.D.Bhopale was felicitated by the members for the completion of his PhD.
- Principal Dr. S.V.Anekar shared the entire status of AUTONOMY preparation. Further he also postulated the tentative dates for the UGC expert committee visit. He advised the department faculty to expedite the preparation work.
- DAB members suggested the suitable names for formation of Board of Studies and further asked to prepare the structure for UG and PG curriculum by taking concern from BOS.
- The members also suggested some changes in reforms of teaching pedagogy. Project based learning is emphasizes in the discussion.
- It was suggested to have industrial training/internship as mandatory course in the pre-final or final year curriculum. The student should be encouraged to undergo the industrial training preferably in the second semester vacation .
- The meeting was concluded with vote of thanks proposed by Dr.S.D.Bhopale

NOTICE

All the members of Department advisory board are hereby informed to attend the meeting scheduled on 15/09/2019. Principal Dr.S.V. Anekar will address the meeting.

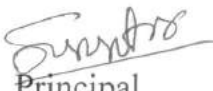

Venue: Department meeting Hall

Time : 10 .00 AM

Agenda :

- Review of previous DAB meeting conducted on 16/03/2019.
- Review of teaching learning method
- Review of preparation of Autonomy proposal
- Discussion on changes in academic reforms in view of Autonomy
- Faculty development program
- To enhance the preparedness to effectively execute E&TC curriculum from next academic year.
- Any other relevant point with the permission of chair

HOD
Prof. D.G.Chougule

Principal
Dr.S.V.Anekar

The minute of meeting were documented as follows:

- The meeting started with an address by Prof. D.G.Chougule (HOD, Electronics Department) extending a warm welcome to the advisory board committee members and Principal and a sincere gratitude was expressed towards all the members present for the meeting.
- Felicitation of members by Prof. S.H.More
- Objectives of meetings were elaborated by Prof.S.H.More
- Members conducted the review of previous meeting.
- HOD shared the results and all academic progress with the members. The members advised to explore the assistance from Alumni on different front like workshop, guest lecture , placement & training etc.
- Principal Dr.S.V.Anekar explained fulfillment of institute eligibility for applying autonomy. He also shared the preparation of IQAC for upcoming autonomy committee visit.
- HOD and Autonomy coordinator Prof. S.S.Patil shared detailed preparation of Autonomy proposal. Upgradation of data for last five years and preparation of NAAC file was discussed in detail.
- The members emphasized on need of changes in academic reforms and practices. The modern teaching learning methods were suggested and discussed. Members appreciated the existing continuous evaluation method presented by Prof. A.S.Mali. New teaching pedagogy is to be implemented effectively.
- Members suggested to arrange visit to renowned autonomous college for the case study.
- It was suggested to organize more faculty development programs.
- Since department is now going to execute E&TC curriculum , as part of preparation Lab set up, curriculum strengthening were discussed in detail and members suggested some good reforms for the effective implementation of new curriculum.
- Meeting concluded with vote of thanks from Prof.P.V.Lokhande

NOTICE

All the members of Department advisory board are hereby informed to attend the meeting scheduled on 16/03/2019. Principal Dr. S.V.Anekar will address the meeting.

Venue: Old Seminar Hall
Time : 10 .00 AM

Agenda :

- Review of previous meetings.
- To discuss for the proposal for change of branch name change.
- Review of teaching learning method
- Generation of funds from Alumni for scholarship
- Training and placement
- Consolidation of existing courses by organizing workshops, training program etc.
- Any other relevant point with the permission of chair

HOD
Prof. D.G.Chougule

Principal
Dr.S.V.Anekar

Minutes of the meeting are documented as follows:-

- The meeting started with an address by Prof. D.G.Chougule (HOD, Electronics Department) extending a warm welcome to the advisory board committee members & Principal and a sincere gratitude was expressed towards all the members present for the meeting.
- Felicitation of members by Prof. A.S.Mali
- Principal Dr. S.V. Anekar shared the roadmap for preparation of Autonomy.
- HOD Prof. D.G.Chougule conducted review of previous meeting and action plan was shared with members.
- HOD opened the forum for discussion on proposal for the change of branch nomenclature as a need of time. All members expressed their views and it was collectively decided to prepare and submit the proposal for branch name from electronics to electronics and Telecommunication
- Members suggested to assess the teaching plan prepared by the faculty. Committee comprising of two senior faculty is recommended for assessing the teaching plan prepared by all faculty members. The punctual implementation of all plan was expected.
- Minutes of Alumni meeting was shared by Prof. S.H.More. Members suggested to appeal the Alumni for the donation of funds for distribution of meritorious student scholarships.
- Prof. R.T.Patil suggested the need of consolidation of existing courses. Members suggested to conduct the workshop, short term and vocational training program for the students.
- It was suggested that all faculty members should share their expertise and time beyond working hours to conduct the aptitude test, mock interviews, group discussion to enhance the student employability skills.
- The meeting was concluded with vote of thanks by Prof. A.S.Mali

INVITATION LETTER

To,
The Hon'ble Members
Department Advisory Board
Dept. of Electronics & Telecomm. ,
TKIET, Warananagar

Subject : Invitation for the meeting...

Greetings from TKIET Warananagar !!!

Dear Sir,

We are very pleased to invite you for the DAB meeting scheduled on 16/03/2019. The input shared by you last time were implemented effectively. We are also looking forward for more punctual governance in the institute. We are absolutely confident that it will help us to enhance the academic and administrative practices.

You have been cordially invited to attend the meetings. The agenda of meeting will be as follows

- Review of previous meetings.
- To discuss for the proposal for change of branch name change.
- Review of teaching learning method
- Generation of funds from Alumni for scholarship
- Training and placement
- Consolidation of existing courses by organizing workshops, training program etc.
- Any other relevant point with the permission of chair

We fully anticipate that the participation and contributions from you during the deliberation is a valuable asset to the success of functioning of institute.

With hopes of favorable consideration, we remain,

Yours faithfully

Kind Attn : Regarding Department Advisory Board (DAB) membership ...

Respected Sir,

Ours is one of reputed technical institute affiliated to Shivaji University , Kolhapur, approved by AICTE , New Delhi. Recently our institute is accredited by National assessment and Accreditation council (NAAC), Bengaluru with 3.27 CGPA (A Grade). Also institute has received Platinum certification from confederation of Indian Industry (CII), New Delhi.

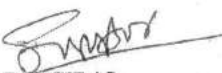

Electronics Engineering is one of the reputed department in Maharashtra and accredited by National Board of Accreditation (NBA) , New Delhi two times in 2004 and 2011 for 3 years each time. Recently the department has changed the nomenclature from electronics to Electronics & Telecommunication engineering. Since we are going to apply for the autonomy, as part a preparation department is planning to constitute Department Advisory Board (DAB). The function of DAB can be as follows:

- Suggest improvement in academic plans and recommend standard practices/syllabus for attainment of PEOs & COs
- Encourage for industry-institute interactions to bridge up curriculum/industry suggest quality improvement initiatives to enhance employability.
- Redefine existing PEO's, aligning of PEO's to the mission statements and defining program specific outcomes.
- To propose necessary action plan for skill development of students, required for entrepreneurship development and quality improvement.
- To identify and suggest thrust areas to conduct various activities (final year projects, training courses and additional experiments to meet PEOs.

We kindly request you to accept and give your consent for membership of DAB. Your valuable guidance and suggestion will surely enhance overall reputation of the department

Subject : Minutes of the meeting conducted on 15/09/2019...
Greetings from TKIET Warananagar !!!

Dear Sir,

At the outset we would like to thank and appreciate for your presence and valuable suggestion during the conduction DAB meeting on 15/09/2019. Herewith sharing the MoM as follows.

- Felicitation of members by Prof. S.H. More
- Objectives of meetings were elaborated by Prof. S.H. More
- Members conducted the review of previous meeting.
- HOD shared the results and all academic progress with the members. The members advised to explore the assistance from Alumni on different front like workshop, guest lecture, placement & training etc.
- Principal Dr. S.V. Anekar explained fulfillment of institute eligibility for applying autonomy. He also shared the preparation of IQAC for upcoming autonomy committee visit.
- HOD and Autonomy coordinator Prof. S.S. Patil shared detailed preparation of Autonomy proposal. Upgradation of data for last five years and preparation of NAAC file was discussed in detail.
- The members emphasized on need of changes in academic reforms and practices. The modern teaching learning methods were suggested and discussed. Members appreciated the existing continuous evaluation method presented by Prof. A.S. Mali. New teaching pedagogy is to be implemented effectively.
- Members suggested to arrange visit to renowned autonomous college for the case study.
- It was suggested to organize more faculty development programs.
- Since department is now going to execute E&TC curriculum, as part of preparation Lab set up, curriculum strengthening were discussed in detail and members suggested some good reforms for the effective implementation of new curriculum.
- Meeting concluded with vote of thanks from Prof. P.V. Lokhande
