## Department of Electronics and Telecommunication Engineering Electronics and Telecommunication Student's Association

### Report of Student Activity

Name of Activity Conducted:	Engineers' day
Date and Time:	15/09/2022
Type of Activity:	
Target audience/ participants	S. Y. B-Tech, T. Y. B-Tech, B. E. B-Tech Students
Theme of activity	Awareness about Engineering
Name and Brief Profile of chief guest(s)/Judge(s)	-
Summary of Activity	The remembers of Sir M. Visvesvaraya Ji we celebrate engineers' day by felicitating are professor who are great engineers and the gives us there thoughtful and valuable lessons

Name of Activity Conducted:	Drone workshop	
Date and Time:	03/12/2022	
Type of Activity:	Technical Workshop	
Target audience/ participants	104/110	
Theme of activity	Awareness about drone	
Name and Brief Profile of chief guest(s)/Judge(s)	-	
Summary of Activity	<p>This workshop was conducted by RIT Drone club, Islampur first section was about in this Session Students learnt about Theory part and interaction between students. Like what is BLDC motor, Frame, Propeller. And how to choose a right one. And second section in this Session Students learnt about Transmitter, Receiver, GPS, flight Controller And software knowledge for how to calibrate the drone and burn the code in flight Controller. Our ETSA members visited to RIT Drone Club at RIT, Islampur. They Discuss about their work plan.</p>
