Blood Donation Camp

Department: Mechanical Engineering Students' Association (MESA) & National Service Scheme (NSS)
Date of Event: October 5, 2026
Venue: Mechanical Seminar Hall
Collaborating Agency: Vaibhav Laxmi Blood Center, Kolhapur
Occasion: Birthday Celebration of Hon. Dr. Vinayraoji Kore Saheb

Objectives of the Activity

1. To cultivate social responsibility, empathy, and humanitarian values among students and staff.
2. To raise awareness regarding the health benefits and critical necessity of voluntary blood donation.
3. To actively contribute to regional healthcare needs by supporting local blood banks through voluntary collections.

Key Highlights & Event Summary

- **Organization & Medical Setup:** The Blood Donation Camp was organized jointly by MESA and NSS at the Mechanical Seminar Hall. Medical professionals, doctors, and technical staff from Vaibhav Laxmi Blood Center, Kolhapur conducted the drive, ensuring strict safety, screening, and hygiene standards throughout the procedure.
- **Dignitaries & Addresses:**
    - Dr. D. T. Shirke (Vice Chancellor, Warana University) graced the occasion as the Chief Guest. In his address, he emphasized blood donation as a supreme, lifesaving civic duty and commended MESA and NSS for leading impactful social initiatives.
    - Dr. K. I. Patil (Principal) and Dr. P. V. Mulik (Head, Mechanical Engineering Department) attended the event, inspiring students to actively participate in nation building and outreach activities.

- **Student & Volunteer Support:** NSS volunteers and MESA committee members coordinated donor registration, health pre-checks, refreshment distribution, and post-donation resting areas under professional medical supervision, resulting in an efficient, safe execution.

Key Outcomes & Metrics

- Blood Collection Record: 203 units (bottles) of blood were successfully collected and safely handed over to Vaibhav Laxmi Blood Center.
- Awareness & Engagement: Promoted voluntary blood donation habits and dismantled myths surrounding blood donation among engineering youth.

Beneficiaries

- **Community & Patients:** Critical medical, surgical, and emergency patients reliant on Vaibhav Laxmi Blood Center, Kolhapur.
- **Institutional Community:** Participating students, faculty, and staff who gained firsthand exposure to community service and voluntary health drives.

Report on Teacher's Day

Department: Department of Mechanical Engineering
Organized By: Mechanical Engineering Students' Association (MESA)
Date of Event: September 5, 2026
Venue: Department of Mechanical Engineering

Objectives of the Activity

1. To celebrate the birth anniversary of Dr. Sarvepalli Radhakrishnan and honor the teaching fraternity for their dedication to education and student development.
2. To foster strong student-teacher relationships, mutual respect, and academic ethics within the department.
3. To provide a structured platform for student leadership and event management under the MESA banner.

Key Highlights & Event Summary

- **Welcome & Opening Address:** The program began with a formal welcome address delivered by Mr. Swayam Kolekar (MESA President). He extended a warm welcome to all respected faculty members, department leadership, and fellow students, setting a respectful and celebratory tone for the occasion.
- **Tribute to Dr. S. Radhakrishnan:** Flowers were offered to the portrait of former President, scholar, and philosopher Dr. Sarvepalli Radhakrishnan to honor his exemplary legacy in Indian education.
- **Keynote & Inspirational Address:**
    - Dr. N. S. Dharashivakar addressed the gathering, elaborating on the significance of Teacher's Day and the lifelong contribution of Dr. Sarvepalli Radhakrishnan to the academic community.
    - He emphasized the evolving role of teachers as mentors, career facilitators, and motivators in shaping competent, socially responsible mechanical engineers.

- **Student Expressions & Felicitations:** Student representatives expressed their gratitude toward the faculty members for their continuous academic guidance, mentorship in competitive activities, and personal support.
- **Vote of Thanks:** The celebration concluded with a formal vote of thanks presented by Ms. Nirzara Patil, expressing sincere appreciation to the department leadership, faculty members, MESA student coordinators, and volunteers for organizing a successful event.

Outcome of the Event

- **Enhanced Mentorship Culture:** Strengthened the bond of trust, open communication, and respect between students and faculty members.
- **Values & Professional Ethics:** Reinforced institutional values, academic discipline, and ethical responsibility among participating engineering students.
- **Student Leadership Development:** MESA office bearers demonstrated effective planning, coordination, and execution of institutional events.
